Purpose: To have each student complete the objectives in the activity of intermediate archery through current literature, instructor demonstration and class participation. Emphasis on class competition, outdoor target shooting, 3-D target practice and optional off campus archery competition. USA Level 1 option. Introduction to compound bows.

General rules:

- No foul language
- No inappropriate clothing
- No food or drink within the gym
- No cell phones or communications devices to be used
- No disruptive behavior

Violation of these rules will result in a warning for the first offense, second offense and expulsion from the class on the third offense.

If expelled from the class the student will have to meet with the teacher before being allowed back in the classroom.

Equipment and/or text needed for this class: There is no textbook required. The instructor will provide written information for the class. The college will provide all archery equipment but strongly suggests you purchase your own archery gloves and arm guards. You can use your own equipment (recurve bows only).

Injuries/medical: If they occur during class, report the injury to the instructor immediately. If you incur an injury outside of class or have an illness or medical condition that will affect your daily activity inform the instructor to make alternative assignments.

Course Learning Objectives:

Each student will demonstrate knowledge and understanding of terminology and safety of archery.

Each student will demonstrate knowledge and understanding of the archery equipment and the skills to use it properly.

Each student will demonstrate the skills of shooting including stance, knocking the arrow, sight adjustments, drawing, aiming, anchor point, release and improvements on skills post tests.

Each student will demonstrate knowledge of scoring and tournament rules for competitions.

Each student will understand the relationship between muscles, skeletal system and the movements of the activity of archery and how it all works together

Each student will demonstrate improvements on archery shooting technique and scoring.

DROPS: Instructor will attempt to contact through email before dropping due to numerous unexcused absences and failing grades. Disciplinary drops will be taken care of by the instructor.

Tardies and non-participations (NP): Three tardies equal one absence. NPs occur when a student is in attendance but cannot participate due to illness or injury. Every three NPs constitute one absence. If the student comes in late to class it is the student's responsibility to inform the teacher that they are in attendance for said class. Please do so after class. **You, the student, are responsible for material missed during your absence.**

Attendance Policy: SPC school sponsored activities, funerals and jury duty are excused but you must have documentation. . **You, the student, are responsible for material missed during your absence.**

General COVID information Fall 2021(Please refer to the SPC return to campus plan on the SPC website for updates)

1. In compliance with GA-38, SPC will not require any person to wear a face covering. However, we support anyone who chooses to wear a face covering to maintain safety as greater numbers of students, employees, and visitors come to our different campuses.
2. In compliance with GA-38, SPC will not require any person to receive the COVID-19 vaccine to visit our campuses or attend class. However, we strongly recommend getting the vaccine to better protect yourself and others from the COVID-19 virus.
3. Students, faculty, and staff who test positive for COVID-19 will be required to quarantine for a 14-day period. Faculty should be prepared to accommodate students who are quarantined so they may continue their education without any unreasonable delays. If students, faculty, or staff test positive for COVID-19, they should contact their healthcare provider immediately to determine appropriate healthcare treatments, and they should contact DeEtte Edens to evaluate their quarantine requirements. Students should also contact their instructor to notify them they will be quarantined and to receive instructional guidance from their instructor.
4. Since we will not require face coverings and vaccines, it will be very difficult to mandatorily quarantine students, faculty, or staff who have a known positive exposure. However, we encourage anyone who has a known positive exposure and has not been vaccinated to consider a self-quarantine or wear a face covering for the same 14-day period.
5. Signs have been posted across all campuses encouraging anyone to go home and seek medical attention if they are experiencing any of the signs of COVID.
6. We encourage all faculty, staff, and students to diligently continue personal health and safety protocols such as handwashing, covering coughs/sneezes, and considering vaccinations.
