HOW THIS COURSE IS CONDUCTED: This course is an online course, which means that you will access course information and respond to me and/or other students through the use of the Internet. Additional Registration/Purchasing Support

Should you need additional guidance, please visit www.cengage.com/start-strong.

LOGGING INTO COURSE: Under no circumstances are you allowed to give your User ID and/or password to anyone. If someone, besides you, is logging into this course, I will drop you immediately with an 'F', regardless of the reason.

COMPUTER REQUIREMENTS: I do not recommend any particular brand of computer. It is the responsibility of the student to make sure that they have the necessary computer resources and skills to take this class. Students are not required to purchase their own computer, but must have frequent regular access to one that meets

specifications. There are computer labs available for student use on our Levelland, Lubbock Center, and Reese Center campuses.

PLEASE make sure your computer is protected with current anti-virus software and spyware removal and prevention software. Most PC's have Microsoft Office (Word, Excel, Access, PowerPoint, etc.), but if you do not have Office on your computer I would recommend the following website. As a student, you can get Office 365 for free. Go to the link below and register using your SPC student email address.

<https://www.microsoft.com/en-us/education/products/office>

Check Your Internet Access

The computer you are using must be able to connect to the Internet and allow you to browse the World Wide Web. E-mail access is required to communicate with your instructor. Please go through the Check Browser options when you first access your online course in Blackboard.

To be able to participate in this online course, a student needs to have the following abilities:

- Typing and word processing skills.
- Know basic functionality of a computer and how to do basic troubleshooting.
- Know how to connect to the Internet.
- Know basics of how the Internet works and how to search and conduct research using the Internet.
- Know how to attach and open documents in an e-mail message.
- Have basic file management skills.
- Know how to save and delete documents.

ATTENDANCE POLICY: Even though this is an online class, students still have to access the course on a regular basis. **Minimum log in for the course is at least four (4) days per week. Additionally, you should not let more than 72 hours pass without logging in.**

The Blackboard software used to manage this online course tracks student logins, tracking when and where the student has been in the course. Accessing this course on a regular basis is extremely important in order to meet the objectives of this course. Ideally, students should daily check the semester schedule, e-mail, and also check for announcements and fellow student discussions. This course is not 100% self-paced—**there will be deadlines.** You will feel more at ease with the materials if you stay in touch with what is going on. This course is 3 semester credit hours. For this reason, you should set aside a minimum of 6 hours per week to work on this course. One of the very first things you should do is set aside time each week to work on the class. It is very easy to put off attendance in an online course.

A STUDENT IS RESPONSIBLE FOR INITIATING THEIR OWN WITHDRAWAL, if that becomes necessary.

A student who stops attending and stops completing assignments, must take the responsibility of contacting the Registrar's Office to drop the class.

I do not drop students for non-attendance. It is your responsibility to initiate the drop process if you decide not to complete the course. Students who stop attending and do not complete the coursework will receive an F at the end of the semester.

PLEASE NOTE: The last day to drop this course is April 25th, 2024.

RESPONSE TIMES: You should expect responses from me within 48 hours to emails sent using Blackboard email. If you haven't received a response within that time, communicate to me again either through email and/or telephone. It is possible your initial communication had not been received. I will not guarantee a response to email during SPC scheduled school holidays or on weekends.
